Dear Parent/Carer

Spring has finally arrived and we are pleased to announce three opportunities to be involved with our school community.

We are pleased to invite you to our third parent forum of the year. This is an opportunity to have your voice heard in terms of the direction you would like **WD Connect** to take and to share the improvements put into place after the previous meeting. In recognition of the different time pressures on our community, we are hosting the event twice in the same day; please choose the option most convenient for you. We always welcome participation from all members of our community, and look forward to hearing your views.

The first forum will commence at 9.30am on Wednesday 20<sup>th</sup> April, with the second opportunity beginning at 5.30pm in the Innovation Enterprise Centre. This is situated at the bottom of the main Wade Deacon Car Park.

### Agenda for Forum

- Parent Skills Register
- Parent Handbook
- Rewards and Sanctions
- Any other business

We would also like to invite you to attend the parent workshop 'Raising Resilient Children.' As part of our personal, social and health education, Year 7 students learn about their own Resilience "Doughnut", and how they can combine their strengths to build resilience. This workshop will support and equip you with strategies to empower your child to cope with life's inevitable challenges. The workshop will be held on **Tuesday 26<sup>th</sup> April at 5.30pm** in school. More information can be found at <http://www.resiliencedoughnutuk.com/parents-families/>

Finally, I would also like to invite you to our next coffee morning based around upcoming maths homework topics for year 7 students. This will be held on **Monday 25<sup>th</sup> April from 9.10am until 9.50am at the Innovation Enterprise Centre.**

If you would like to attend any, or indeed, all of these events, please complete the reply slip below and return to school with your child. If you have any questions, or would like any further information, please contact Mrs Bairstow on 0151 423 2721.

Yours sincerely
