Working together to support families and build on the progress and well being of our students

Team WD Connect

As you are aware, we have been working for over 12 months towards the Leading Parent Partnership Award.

To drive parental engagement forwards, we would like to recruit some parents for Team WD Connect. This will include staff from school, parents and students, working together to plan a series of events and workshops. The meetings will occur once per term,. If you would like to be part of the team, please contact Mrs Bairstow.

Events Update

New Website Launch

Thank you to all of the parents who attended the forum in January. Gary Smith was pleased with all of your constructive comments and the new website is now up and running. If you feel that we have missed anything, please get in touch.

Back to School Day and Year 10 Parents Maths Sessions

Thank you to all of the parents who attended the sessions, which were a great success. Parents reported that both sessions made them feel more connected to school, and more confident in their own learning and in supporting the learning of their children.

Dates for your Diary

Progress to Success

The final round of assessments this academic year, P2S4, will be taking place in May. It is a good idea to start small, regular revisions sessions at home to ensure that students are fully prepared.

Look at the curriculum area of the website for topics, and Parents/ Homework/Homework resources for revision aids and tools.

Resilience Doughnut Workshop

Saturday, 19th March, 9.30am

At the transition meetings, parents requested support for building resilience. Places are limited. Secure yours now by contacting school.

Oliver and Got to Dance

Thank you for helping to make these events such a success—they couldn't happen without your support.

Nearly 1000 parents enjoyed excellent artistic performances over four nights. Well done everyone who took part in what were fantastic performances.

Triple P

We have just finished a Triple P course, however, due to popular demand, another course will be starting in the near future.
