

What is your name? - Lewis O'Brien

What is your job title/course name? - Professional Rugby League Match Official

When were you at Wade Deacon High School? - 2014-2019

What is your best memory from school? - Going to Wembley with the Year 7 Rugby League Team

In terms of careers, what do you wish you knew back then? - I wish I knew I wanted to be a teacher

What is your job/programme of study? - Professional Rugby League Match Official. I now have taken over a Development role for other officials within the North West. There is definitely a career in Refereeing. Something that started for me 8 years ago is now a heavy part of my life. My most recent game was Saints Womens v Wigan Womens in the Semi Final, Live on Sky Sports.

How did your studies help you to get into this career? - They helped me grow confidence and communication skills to be able to speak to people on a rugby field

What advice would you give to Wade Deacon High students who want to go into this career? - Work hard, be happy and always give new things a try
