

What is your name? - Sarah Baldwin

What is your job title/course name? - Medicine and Surgery MBChB

When were you at Wade Deacon High School? 2014-2019

What is your best memory from school? - Competing in the Debate Mate Cup

In terms of careers, what do you wish you knew back then? - That students from Widnes/Wade Deacon are more than capable of becoming doctors and that with hard work and being aware of the support out there there is nothing off limits!

What is your job/programme of study? - Medicine and Surgery MBChB at University of Liverpool

How did your studies help you to get into this career? - My studies taught me the foundations for the academic skills I would go on to build on in my further education. The time management, motivation and workload balancing skills were continued in my future studies. Extra curricular opportunities such as Student Leadership and debating were assets to future applications.

What advice would you give to Wade Deacon High students who want to go into this career? - Try your best!

*'A Commitment to
Excellence'*
