4. Positive conduct

4.1 Praise and rewards should have emphasis to encourage pupils to participate, perform and progress. Staff members are encouraged to set the correct tone to create a stimulating and positive learning environment, using the following methods to provide pupils with satisfaction and pride in their achievements (please note that the following is not an exhaustive list).

- Quality first teaching/Planning for positive behaviours and engagement.

4.2 At Wade Deacon High School, pupils are recognised for behaviours 'above and beyond' our core expectations through the characteristics of a *Highly Motivated Learner* and/or persistently demonstrating a 'Commitment to Excellence'.

4.3 As a school it is vital that we have some consistency regarding the awarding of Achievement Points. As aforementioned, Achievement Points should be awarded for the behaviours that align with our values; this could be a pupil demonstrating fantastic effort on a piece of homework or persistently demonstrating high quality work in class, see examples below for further clarity.

- Example 1 In class today, a pupil never gave up, despite several setbacks throughout the lesson they persisted in working towards understanding today's topic (1 point).
- Example 2 Over the last few weeks a pupil has shown a drastic improvement in their behaviour and AtL; staying behind after school, helping others in class and completing their homework to an exceptional level (1 points).
- Example 3 A pupil supported at an after-school event; for example, Open Evening (3 points).
- Example 4 A pupil receives *Learner of The Half Term Award* or *High Flyer Award* (5 points).

5. School Standards

5.1 Here at Wade Deacon High School, we make no apologies for our incredibly high standards as we strive to be the very best school in country; we believe setting high standards benefits everyone within school.

5.2 We have set out our 'School Standards' to provide clarity for all stakeholders on our expectations around basic school rules.

5.3 It is an expectation that all parents/carers have read and understood the 'School Standards' document; this can be found on our school website and Appendix 1 within this policy.

5.4 We ask all parents to support the school by ensuring their child adheres to the standards set out within the document to avoid any unnecessary negative interactions with pupils.

6. Responding to poor/challenging behaviour (graduated response)

6.1 Our behaviour policy is based on a positive and restorative approach. It focuses on encouraging pupils to make positive contributions towards our school community whilst supporting them to take responsibility for their actions and repairs relationships to put things right.

6.2 At Wade Deacon High School, teachers should not have to suffer the consequences of disruption towards teaching and learning. Sanctions for poor behaviour are in place in order to:

- Allow students to learn from mistakes;
- Establish a staged and proportionate response to poor behaviour;
- Identify clear roles and responsibilities for operation;
- Re-establish appropriate expectations of behaviour and restore teacher-pupil relationships.

6.3 With each behaviour incident, it is up to the teacher to decide on a follow up strategy; support will be offered by the Senior Leadership Team for serious offences.

6.4 The vast majority of pupils behave excellently, however, some pupils may require additional support with their behaviours; the following *graduated response* is used as a guide and is not an exhaustive list. Although consistency is very important, it is imperative that teachers find ways within the policy to support and promote positive behaviours. Regardless of the level of support a child may be receiving, it is an expectation that the class teacher will work within the policy to support the child.

6.5 STAGE 1

7. Corrections System

7.1 Corrections may be issued for not meeting the school's standards and expectations with the primary aim being to 'correct' behaviour and improve standards. At Wade Deacon High School, we continually strive to promote and encourage positive behaviours. We want the school to continue to be a caring, friendly, happy and safe place where students can flourish. All students' behaviour around the school should support this aim.

7.2 Every lesson should be characterised by a relentless focus on learning and free from distractions. This means that poor behaviour, even low-level disruption such as talking, not following an instruction or disturbing others' learning is not acceptable. We also want our students to give the very best of themselves and ensure all classwork and homework is completed to a very high standard. The vast majority of our pupils are exceptional however, it is important that as a school we have a system for improving standards that will benefit all of our learners.

7.3 Our Correction System provides a swift response for restorative practice to take place. The Correction will allow staff the opportunity to work with the child to reflect on their behaviour, offer support if necessary and reaffirm our expectations. There are three types of Correction that may be issued and all will take place outside of normal school hours.

C1: 30 minute Correction (Same Day). There will be no notification for a C1, the class teacher will record the Correction on School Synergy. If a pupil receives a C1 their school day will finish at 3.15pm. Additionally, during the C1, teachers will allow pupils to inform Parents / Carers that they are staying behind via their own mobile phone, if they wish to do so.

C2: 60 minute Correction (Pre-arranged Day). The pupil's C2 will be recorded on School Synergy, if possible, the teacher may also inform parents/carers via a message / phone call.

C3: 90 minute Correction (Friday). A pupil's C3 will be recorded on School Synergy, parents/carers will also be informed via a letter home / phone call.

7.4 Some parents may have reservations about same day Corrections however, The Department for Education (DfE) states that schools do not legally need a parent's permission to detain a child and no longer need to give 24 hours' notice. There is no legal obligation to inform parents that their child is being kept back after school and schools do not need to provide a reason as to why a Correction has been issued. The DfE states (*Behaviour and Discipline in School 2016*) that notice may not be necessary for a short after school Correction where the pupil can get home safely.

7.5 As a school, we would like to reassure parents that we would not put pupils at risk therefore, reasonable adjustments will be made if there is a genuine concern. Parents will need to contact their child's Progress Leader if their child is unable to stay behind after school to complete a C1. Furthermore, if there is an issue on a particular day where a pupil cannot stay for any specific reason, parents / carers should contact the school to let us know. We would ask that all non- emergency appointments / engagements are made after 3:45pm to support the school.

7.6 As part of our *Behaviour for Learning Policy*, escalated sanctions will be put in place for pupils who do not engage with the Correction System to improve and correct behaviours and attitudes to learning. These may include:

- Internal exclusion;
- Parental meeting with a member of the Senior Leadership Team;
- Suspension;
- Any other sanction deemed appropriate.

7.7 The Correction System will not be applicable for the majority of our pupils whose behaviour and attitudes are exemplary. However, improving standards will benefit everyone at Wade Deacon High School.

7.8 Lunch and break times may sometimes be used, however, predominantly staff will follow the C1-3 Correction System. We will allow reasonable time for pupils to eat, drink and use the toilet during any break and/or lunch time correction.

8. Student Support Plans/Behaviour Contract/Behaviour Agreement

Student Support Plan

8.1 Pupils who may be struggling to operate within the parameters of our expectations and school rules may be placed on a Student Support Plan (SSP), the SSP operates within a traditional Assess, Plan, Do and Review format.

8.2 Typically, the SSP will be initiated at Stage 3 of our graduated approach and last anywhere between 3-6 weeks per cycle. The SSP may be used as a medium-term measure in order to improve a pupil's behaviour and/or attitude to learning.

8.3 A SSP will be initiated by the pupil's Progress Leader, supportive strategies, actions and targets will be included into the SSP to support the pupil in modifying their behaviours and this will actively involve the pupils' parents/carers.

8.4 At the end of the cycle, or if no improvements are seen, a review will be held. Typically, if no improvements are seen, a member of the Senior Leader Team will become actively involved in the SSP process.

Behaviour Contract

8.5 A Behaviour Contract may be initiated upon unsuccessful completion of previous strategies used to bring about positive changes in behaviour. These may include but are not limited to, a SSP, Suspensions, Step Out, Outreach Programme and Managed Transfer.

8.6 The contract may also be put in place for an isolated incident which is a serious breach of the school's behaviour policy. The contract will highlight concerns, support strategies, agreed actions and specific targets the pupil must adhere to. Failure to meet these targets may result in a Governor Review Meeting, Permanent Exclusion or other escalated actions.

Behaviour Agreement

8.7 A Behaviour Agreement may be initiated for disputes/disagreements between pupils. The agreement will indicate what is expected to ensure we have good order in school and all pupils feel safe and happy. If a pupil fails to adhere to the agreement the school may take further actions.

9 Responding to poor/challenging from pupils with SEND.

9.1 The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

9.2 When incidents of misbehaviour arise, SEND needs will be considered when making decisions. However, we recognise that not every incident of misbehaviour will be connected to a pupil's SEND, decisions will be made on a case-by-case basis and reasonable adjustment will be made where necessary.

9.3 Please see our SEND Policy for more information.

10. Assessment and reporting of Behaviour for Learning/Attitude to Learning

10.1 A BfL issue will be identified as a pupil who is displaying behaviours that are affecting their own learning, the learning of others and the ability of the teacher to teach – for example, *a teacher may have to ask the pupil to stop talking, turning around too often or failing to follow simple instructions.*

10.2 An AtL issue will be identified as a pupil who does not disturb the learning environment, but their actions are affecting their own progress – for example, *no equipment, poor attitude to home learning (AtHL) or very little work completed in lesson.*

10.3 Behavioural/AtL incidents are recorded as and when they occur on the school’s monitoring system (School Synergy). These records will then inform the final behaviour and attitude to learning grades class teachers will enter at each P2S round. This is monitored by Key Stage Leaders, Subject and Progress Leaders, Assistant Progress Leaders and Senior Leaders.

10.4 Reporting Behaviour to parents/carers via P2S.

13. Searching, screening and confiscation

13.1 Ensuring school staff and pupils feel safe and secure is vital to establishing calm and supportive environments conducive to learning. Using searching, screening and confiscation powers appropriately is an important way to ensure pupil and staff welfare is protected and helps schools establish an environment where everyone is safe.

13.2 Any prohibited items found in a pupil's possession will be confiscated. A list of prohibited items can be found in section 2.2; these items will not be returned to the pupil.

13.3 We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

17.2 For suspensions of between 6 and 15 days, governors must meet if requested by parents and carers. In cases where the exclusion is less than 6 days, parents and carers may make representations to the governing body, but there is no right to a meeting.

17.3 A behaviour plan and meeting with the governing body disciplinary panel may also be used in order to bring about improvements in behaviour. These will be initiated at the discretion of the Principal/Head of School after all reasonable steps have been taken to improve a pupil's behaviour.

School Standards

We ask all parents/carers to ensure they have read and understood the following information.

CORE VALUES/COMMITMENTS

Our core values centre on a 'Commitment to Excellence' in everything that we do – a commitment underpinned with 3 core principles: Firstly, **Exceptional Values** – mutual respect, courtesy, manners, exemplary standards and impeccable uniform – all the things we know our parents and carers value. 19. Appendix 2

Core Commitments

Pupils should demonstrate the school's three Core Commitments:

- Respect yourself and others;
- Give the very best of yourselves;
- Believe in yourself.

Routines

We should not assume that pupils know how to behave during certain routine times. We need to teach them what sorts of conduct we feel is desirable. We should always give feedback on how pupils are behaving. The classroom routines for Wade Deacon High School will always be:

At the start of a lesson:

- Pupils should queue in a single file line - calm and orderly.
- Pupils should go in quietly and get their equipment out (sitting in their allocated seat).
- Pupils should write down the title, date and objective and begin the retrieval activity (in most cases, this will be in silence).

At the end of the lesson:

- Homework will be recorded on School Synergy.
- Pupils should ensure the room is tidy and stand behind their chairs quietly and before being dismissed.

Around the school building:

- Pupils should circulate the school building/grounds in a **calm** and **orderly** manner.
- Where appropriate, pupils must follow the one-way system.
- Pupils should **always** use the nearest staircase to move up/down floors.
- On all corridors and staircases, pupils should stay to the **left**.

Behaviour Systems

We have a series of systems within school to ensure good order and consistency. At Wade Deacon High School, School Synergy is an integral part of our school's behaviour policy and a key form of communication.

The use of the Achievement Centre (AC) to support mainstream Teaching and Learning

The Achievement Centre may be used to support the learning of pupils away from mainstream lessons for the following reasons;

- behaviour - documented incidents of lack of co-operation and disruptive behaviour impacting upon their learning and at times, that of other pupils;
- re-integration following a suspension;
- whilst an investigation takes place that may involve the pupil.

Pupils may also be directly referred to the Achievement Centre for acts which affect the health and safety of other pupils or are deemed to be a serious breach of the school rules such as verbal abuse of staff/pupil and bullying. (See anti-bullying policy)

Attendance, Illness & Re-integration

When a pupil has been absent from school for an extended period of time through suspension, truancy, condoned un/authorised absence or because of a period of illness, the process of learning may well have been significantly affected. A re-integration to school may include a period of time in the AC. In situations such as this, the following steps would apply:

- Progress Leader meets parents to discuss return to school.
- Progress Leader will meet with the Assistant Vice Principal to discuss the situation.
- If withdrawal to AC is appropriate, the Assistant Vice Principal will agree the extent of the withdrawal with the tutorial support team.
- On leaving the AC and returning to mainstream, a monitoring system will be agreed with the Progress Leader to gauge the success of the reintegration.
- Copies of referrals, updates and monitoring system will be placed on file.
- When a pupil is working in the AC, appropriate work must be set by the mainstream class teacher responsible for that pupil.

Uniform

Pupils who do not adhere to the Academy's uniform policy may face appropriate sanctions. These could include Corrections, report card, phone calls to parents/carers and internal exclusion. Pupils will be required to provide a

note from home if they are unable to fulfil any of the requirements of the Academy uniform. The letter needs to state when the pupil will have the correct uniform.

On-Line Safety

Pupils are expected to follow all E-safety precautions at all times. It is against the law in the U.K to use a mobile device and social networking sites to frighten or upset people. Please be aware that electronic devices may be confiscated if there is reasonable suspicion that they may contain inappropriate material. Cyber-bullying is taken very seriously and could involve police involvement. Please refer to the school's E-Safety Policy and the Acceptable Use Policy.

Restaurant / Dining Halls

Food and drink should only be consumed in the designated areas. Litter must not be dropped anywhere inside or outside the school site and we ask all members of the school community to take care to keep the school clean and tidy. Plenty of bins are available and pupils are expected to take responsibility for their areas and pick up litter in and around their immediate vicinity.

School Trips & Educational/Sporting Activities

School trips and sporting activities are a privilege for pupils, and they are representing the school at all times during these occasions. Attendance on school trips and the chance to represent the school will be subject to sanctions in line with this policy. If the school feels that a pupil's poor behaviour or poor attitude to learning is a concern, then the pupil may not be able to attend school trips or represent the school in sporting or other extra-curricular activities.

Poor Behaviour outside the School Gates

Teachers have the statutory power to discipline pupils for misbehaving outside of the school premises. Section 89(5) of the Education and Inspections Act 2006 gives teachers statutory power to regulate pupils' behaviour in these circumstances "to such an extent as is reasonable." At Wade Deacon we will impose reasonable sanctions for any pupil taking part in a school trip, travelling to and from school, wearing school uniform or in some other way identifiable as a pupil at the school. This may also apply to pupils that pose a threat to another pupil or member of the public or could adversely affect the reputation of the school. These incidents will be subject to thorough investigation. Consequences will be imposed that are deemed reasonable in all circumstances.

Bicycles

If a pupil comes to school on a bicycle, they should follow the National Highway's advice and guidance, this can be found at www.nhtsa.gov/road-safety/bicycle-safety. To ensure the safety of themselves and others, pupils should dismount and walk with their bicycles when on school grounds. Pupils who travel to school on a bicycle can store it in our bicycle store facility, this will be locked in a morning at 8.35am and open again at 2.40pm.

E-Bikes/E-Scooters are not permitted on the school grounds.

The School Trust accepts no liability for property brought onto the school site.

Mobile phones

Pupils are not allowed to use mobile phones in school; mobile phones should not be seen or heard during the school day unless planned by the class teacher as a tool to enhance learning.

Please see Mobile Phone Policy.

Drugs

The school does not support the misuse of drugs or the illegal supply of these substances and will take appropriate action when dealing with situations which may arise from their misuse. School's general power to discipline, as set out in Section 91 of the Education and Inspections Act 2006, which enables a member of staff to confiscate, retain or dispose of a pupil's property as a disciplinary penalty, where reasonable to do so. At all times we will respond to legal obligations of the Governing Body, please see the Drug Incident Policy for further details.

Step Out/Off-Site direction

If appropriate, a period of outreach work may be conducted at a neighbouring school to support the pupil's behaviour/conduct; parents will be contacted or invited into school to discuss this matter.

Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

In most cases, the school will also ask parents/carers to attend this meeting and ensure that they are familiar with the school's expectations and the role that parents/carers can play to support their child.

This includes but is not limited to supporting pupils coming into school from a Permanent Exclusion from another school, Managed Transfer or Step Out (off-site direction).

Preparing outgoing pupils for transition

To ensure a smooth transition to another educational provision, information related to the pupil's behaviour issues may be transferred to relevant staff to ensure that the pupil is supported.

Where appropriate, a visit may be coordinated to support the child's transition.

The school will continually monitor the pupil's progress and communicate with parents/carers when necessary.

Working with the Police / Suspected criminal behaviour

The school will provide all necessary support and information to assist the police in any investigation involving our pupils.

It is the responsibility of parents and carers to inform the police in matters such as assaults / fights that may take place in school. The usual school protocol will be followed should these incidents occur. The school will contact the police with safeguarding issues that warrant police involvement.

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the Principal/Head of School decide on the appropriate action.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

School do not have the authority to investigate a crime, on any such matters, the school will wait for further guidance from the police on how to proceed.
