

Episode 3  
Vocab Hitlist

# Vocab Hitlist

**W2** Use **subject specific vocabulary** within your own writing

This technique helps you to develop use of key subject vocabulary in your answers.

## METHOD:

1. Produce a "hitlist" of key words that are specific to the subject/topic.
2. Now practice using each word correctly in a sentence.

## Examples

### Geography

Key word: **Abrasion**

Used in context:

The bed and banks of the river were worn away by the process of **abrasion**.

**Abrasion** is an erosional process which can lead to the formation of river landforms.

### Drama

Key word: **Proxemics**

Used in context:

During rehearsals we blocked our stage positions so we could use **proxemics** to show that our relationship was suffering.

### PE

Key word: **Cardiac hypertrophy**

Used in context:

Cardiac hypertrophy occurs as a result of long term exercise. Cardiac hypertrophy will benefit performance as it will increase the amount of blood pumped to working muscles during activity as the heart will be bigger and stronger..
